EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS:

Claim 30, line 1, changed "aesthetic" to --anaesthetic--

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or render obvious an anaesthetic control system, as recited in claim 30, but more specifically to a system comprising a patient model created by former values of an active substance previously delivered to numerous other patient's; and means for continuously communicating a present delivery rate to the patient which calculates a present active substance concentration in the patient's body under consideration of active substance values delivered to the actual patient.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
